This is an NPR-produced webcast of the first ever appearance of Byrne and Veloso on the same stage at Carnegie Hall in NYC. This was a uniquely impressive show I will remember for a long time and the sound and production is excellent for a webcast. I would like to see more shows in Apple Lossless Compression so I'm starting with this one. iTunes can play these files in realtime on PCs, Macs or iPods.
Disc 1 (April 17, 2004)
1. Terra
2. (Veloso notes)
